Request for continued examination (37 CFR 1.114)

Response to DETAILED ACTION

### Drawings

1. The drawings have been corrected in compliance with 37 CFR 1.121(d) and the amended drawing labeled "Replacement Sheet". A second drawing is provided with annotations indicating the changes to the drawing.

### Claim Objections

2. All informalities specified in the Detailed Action have been changed in Lines 9, 37, 44, 51, 52, 58, 60.

3. Paragraph 35 U.S.C. 112 reviewed for content and compliance of the specification. A substitute specification is not being submitted due to the following: Quotation from 37 CFR 1.125(d)

"A substitute specification under this section is not permitted in a reissue application or in a reexamination proceeding."
